DEDICATION

All of us seniors awaited our first day in your civics class with great expectations. Not knowing what you had to offer, we listened to you spellbound during our first lesson. In a proud and reverent manner, you presented our government to us. With the greatest precision you etched the pattern of democracy upon our minds. Some of us were not always eager to learn, but with great patience, you overcame our weak barriers.

Through supplementary work, you stimulated our interest in state and local affairs. In your classes we developed new awareness of world problems. We could foresee the possible crises we would have to face in the future. From your instruction we received the materials with which we can give everlasting strength to our way of life. Thank you, Miss Scott, for your devoted work as our teacher who strived to build character as well as knowledge within us, your students.

The Class of 1962.

ADMINISTRATION

As principal of DHS, Sheldon Bross has earned the respect and admiration of the entire student body. Mr. Bross not only prepares our curriculum, schedules our classes, and assigns our teachers; but he also plans athletic programs and gives invaluable aid to seniors planning to attend college by filling in their various application blanks. After receiving his Bachelor's degree at Carthage College and his Master's degree at the University of Colorado, Mr. Bross began teaching at Mendon, Illinois. In 1954 he began his duties as principal of DHS. The graduating class of 1962 wishes to express its sincerest thanks to Mr. Bross, our principal.

Marvin Winger, our assistant principal, has just completed his 26th year as a member of the DHS faculty. He attended both the University of Illinois and the University of Wisconsin, receiving both his Bachelor of Arts and Master of Arts degree from the latter. He began teaching and coaching in his native town of Walnut and in 1939 became a history and economics instructor at DHS. In September of 1956 he assumed the position of assistant principal. His various duties include supervising registration, absence, tardiness, and disciplinary action. This year we would like to commend Mr. Winger on his excellent speech that he gave at the Homecoming pep rally and wish him the best of luck in his forthcoming years at DHS.

Our superintendent of schools, Sherwood Dees, who came to Dixon in 1953, works closely with the school board in serving the Dixon Public Schools. He acts as a median between our schools and the school board. Mr. Dees also recommends the employment of all new school employees, prepares the budget for the school district and sees that all the policies of the board are carried out. We, the students of DHS, agree that Mr. Dees has done a fine job, and we wish to express our thanks.

MARIA RAQUEL ESCOBAR

"Hola" and "Chao" are words which most D. H. S. students have added to their vocabulary since the coming of Maria Raquel Escobar, our 1961-1962 exchange student from Santiago, Chile. Maria Raquel was sponsored jointly by the Student Council and the Dixon Rotary Club, and was brought to the United States by the American Field Service. Since her arrival last August, Maria Raquel has rapidly adjusted to the American way of life. She was one of our best football and basketball fans, she was a member of G.A.A., Dramatic Club, Student Council, and was vice-president of Campus Club. She also sang in the

Treble Choir. Maria Raquel enjoys all sports, she plays the guitar and sings, and she likes to sew, knit, and cook.

As a senior in D. H. S. Maria Raquel took English, civics, Speech I, personal typing, American History and Clothing I. When she returns to Chile, she must make up the year of school she lost by coming to the United States. She then plans to attend a Chilean University and major in political science. Maria Raquel says there are two things that she wants to do before returning to Chile: "I want to learn how to play tennis and I'd just LOVE to learn how to drive!"

SENIOR CLASS

Class of '62, the four short years that you have spent at D.H.S. are over. From now on, you will have only memories of your many, happy, high school days.

Remember how exciting your freshman year was? When you first entered high school, everything was completely new and different to you. However, after a few weeks, you got into the swing of things by electing class officers. Sandy Weigle, Carol Haig and Donna Crader were chosen. You selected Susan Kuhn to represent you in the Homecoming Court.

Your sophomore year quickly arrived. When you began school in the fall, you discovered that several classrooms, a cafeteria and a gymnasium had been added to the original building. That year you elected Gary Carlson, Lloyd Bollman and Gary Flanagan as your class officers. At Homecoming time your class was represented by Lori Johnson. Mary Jones served as secretary of the Student Council. Susan Kuhn, Linda Lee, Sherrie Miller and Sharon Willard were picked as frosh-soph cheerleaders.

When you returned in September, you were

lower-upperclassmen. That was a big year for you—selecting your class rings, writing your first term paper and attending your first prom. Once again you chose your class officers—Lloyd Bollman, Rollie Mercer and Kathy Jensen. Sandy Weigle was treasurer of D.H.S. Student Council as well as of the Northeast-Northwest Student Council District. Nancy Willstead was selected to be junior Homecoming attendant. Susan Kuhn and Nancy Willstead were varsity cheerleaders.

You, the class of '62, suddenly became seniors! Lloyd Bollman and Mike Rock were elected president and vice-president of the Student Council. Terry Wasson reigned as queen of Homecoming festivities and Mary Jones and Donna Crader were the two senior attendants. Nancy Phalen and Susan Kuhn were chosen varsity cheerleaders. Before you realized what happened you had selected your announcements, ordered your caps and gowns, finished your last class, attended the prom, and, finally, graduated. Whatever you do later on in life, you will never forget the many memories of your life at Dixon High School.

JUNIOR CLASS

At last we have risen through the ranks and are awaiting the beginning of our year as senior citizens of D.H.S. It is hard to believe that we have advanced so far from our first year as freshmen.

In looking over our past year, we can notice many outstanding achievements of our class. To begin the year, we elected Doug Stuart, Mary Varga, and Andy Chinouth as class officers, and under their leadership we won the Homecoming decorations award. Soon afterward, we selected Sharon Grimes to represent the juniors as attendant to the Homecoming queen.

The junior class was active in dramatics and participated in both plays. This year is the first year D.H.S. had been in the American Field

Service Program, and a junior is receiving its benefits. Several members of the class work on the DIXINI.

In the field of sports, the class of '63 has also shown its merit. The Cross country team, led by four juniors, topped a fine dual meet season by placing second in the conference meet. At the same time our class was well-represented on the football, basketball, and wrestling teams.

Perhaps the highlight of the year occurred during School Spirit Week, a newcomer in D.H.S. activities. We proved our position as the most spirited class in D.H.S. by winning the week-long school spirit contest.

With such spirit we cannot help but have a successful year as seniors of D.H.S.

SOPHOMORE CLASS

Sophomores of 62—that's us. We were that intelligent, spirited bunch of crazy mixed-up kids that didn't know when to give in. The razzing we received as freshmen didn't dampen our hopes one bit. With Lester Rhodes, Carol Butterbaugh and Martha Potts as class officers, the year was destined to be successful. Mary Mortenson brightened the Homecoming scene as freshman attendant. The days flew by and so did summer vacation.

Back to the books, the football games, and the dances we came; ready to challenge anyone and anything. The fresh-soph team was tearing up the gridiron and Jim Knigge, Corny Patterson, Fred Sanford, Wayne Sanford and Jim Santee were holding their own on the varsity. Homecoming week brought a flurry of excitement and anticipation. Carol Heckman represented the class as sophomore attendant. Along with the excitement

of the football season came the election of the class officers. The results were as follows: President, Jim Santee; Vice-president, John Tiffany; and Secretary, Sue Gunner.

Onward into the second quarter marched the sophomores. The fresh-soph basketballers were gunning their way to victory, and the guillotine was taking its toll in wrestling.

Dan Dunphy was promoted to the varsity basketball team earlier in the season. The job of maintaining school spirit was delegated to the sophomore cheerleaders: Jane Ann Weigle, Mary Mortenson, Judy Wright, Pam Goddard and Carol Heckman. The plays, band concerts, choral presentations, student council, and other extra-curricular activities were all part of our life at Dixon High School. If the trends that we started continue, it's a bet that the next two years in D.H.S. will be joyful and rewarding.

FRESHMAN CLASS

The class of '65 rolled into the halls of D.H.S. with the largest enrollment in history, 360 freshmen. After spending a couple of weeks with the new atmosphere and the upperclassmen, the freshman class settled down and elected class officers: Judy Flanagan, president; Terry Utz, vice-president; Eleanor Jones, secretary-treasurer.

The freshman class eagerly decorated the cafeteria for the Homecoming festivities, using "Boil the Boilermakers" as their theme. Debbie Spangler was chosen freshman attendant in the Homecoming court.

Both the football team, under the direction of Mr. Wallick, and the basketball team under the direction of Mr. Bogott were praised for their outstanding records.

This class started the New Year with a bang! The class of '65, being well-known for their vocal aptitude, were honored when eight of their classmates advanced into Treble Choir.

Time flew by, and soon the freshmen were busy electing attendants for the March of Dimes court. For the event, Becky Heckman and Randy Wallick were chosen.

In February, G.A.A. initiation came, and many freshmen girls ran around the halls with the letters of the association on their backs.

After initiation, the G.A.A. held a dance. The freshmen girls were asking the boys to this long anticipated event with much eagerness.

Like all other freshmen before them, the class of '65 survived.

STUDENT COUNCIL

Top: Mike Rock, Lloyd Bollman.

Mr. Host, Advisor.

The Student Council is one of the most active and efficient organizations in the Dixon High School. Under the leadership of Lloyd Bollman, president; Mike Rock, vice-president; Sue Ann Prince, treasurer; and Anita Byer, secretary; with the guidance of Mr. Host, the council's faculty advisor; and with the excellent help and assistance of the seven various committees, many worthwhile projects and activities have been carried out.

An outstanding highlight of this year's projects has been the presence of Marie Raquel Escobar, our foreign exchange student from Chile. Jointly sponsored by the Student Council and the Dixon Rotary Club, she has been a popular addition to the community.

Among some of the council's many projects were: the traditional Homecoming Week, a newly introduced School Spirit Week, a Safe-Driving Campaign, a Christmas Goodfellows project, an all-school carnival, a spring variety show and the "re-adoption" of Song Soon Ok, our Korean child.

STAFF

DIXONIAN

Since August of 1961, the *Dixonian* has been in production. Our first decision was to have an ancient Roman theme. Gary Carlson, our artist, proceeded to sketch the numerous drawings which were to appear in the yearbook. Then we planned the whole yearbook in small scale. This miniature yearbook guided us in putting together the real book. When school started, senior pictures were scheduled; and pictures of clubs, homerooms, and athletics were taken. Our photographer, Craig Olney, was responsible for taking pictures of sports events and school activities.

In February we had the first deadline which required that the first eighty pages of the yearbook be completed. Because of our inexperience, we thought we would never meet the deadline. Mrs. Arnould, our advisor, gave us confidence and

valuable advice which aided us in our work. With the combined efforts of Sue Vandenberg, Cindy Hoban, Melodye Presnell, Larry Bross, and the previously mentioned staff members, the deadline was met a few days early. Meeting a deadline consists of numerous steps. First, all pictures must be measured to fit the appropriate spaces. Copy must be assigned to writers and then typed. All material sent to the printing company must be identified as to corresponding places in the miniature yearbook, the dummy. After the copy is printed, it must be proofread by the staff, and then sent in for the final printing. The second section of the book, consisting of sixty four pages, was completed at the end of March and sent to the printers. The finances of the yearbook were handled by Mr. Hamersmith, advertising advisor, and Barbara Brierton and her ad staff.

DIXINI

The school newspaper, the DIXINI, is published bi-weekly by the juniors and seniors of D.H.S. The staff spends eight hours each day planning, writing, and publishing the paper.

At the end of each semester, upperclassmen fill out applications for positions on the DIXINI staff. They are chosen on the basis of their previous contributions to the paper, their English grade average, and their willingness to give up time for the paper. Editor-in-chief for the first semester was Sue Pana. Serving as page editors

under her were Sandy Weigle, page 1; Peggy Jankowski, page 2; Mary Kay Stewart, page 3; and Steve Tagge, page 4. During the second semester Sandy Weigle served as editor-in-chief. Bonnie Holtz, Sharon Stephens, Bev. McIntyre, and Bob O'Connor were page editors.

The paper includes sport stories, stories about individual or group accomplishments, school gossip, informative articles on such things as colleges or new courses offered, and anything else of interest to the student body.

GIRLS' STATE

Mary Murphy was selected by the faculty to attend Illini Girls' State last summer at MacMurray College, Jacksonville, Illinois. Girls' State is a mythical government patterned after that of the State of Illinois for about 500 high school junior girls. Delegates form two non-partisan political parties which hold conventions, campaigns, elections and perform duties pertaining to various public offices. Delegates are divided into "cities" and "counties" and meet together in these groups to carry out their governmental practices.

Mary has taken part in many extra-curricular activities in Dixon High School. Some of them are the National Honor Society, G.A.A. Publicity Chairman, Student Council Assembly Committee chairman, and at Girls' State she was elected alderman from her city.

The week at MacMurray is climaxed by a tour of Springfield's important sites. An inaugural banquet Saturday and a candle light service Sunday are other important events.

D.A.R.

Each year the local chapter of the Daughters of the American Revolution present a good citizenship award to a senior girl. The girl is chosen by her classmates and teachers on the leadership, scholarship, dependability, and service which she has shown during her high school career.

This year's recipient of the D.A.R. award is Sandy Weigle. Sandy served as president of her freshman class, treasurer of the Student Council, treasurer of the Northeast-Northwest District of the Illinois Association of Student Councils, president of the G.A.A., and editor-in-chief of the DIXINI. She was also a reporter for the DIXONIAN. Honorary societies to which she belongs include National Thespian Society, National Quill and Scroll Society, and National Honor Society.

Sandy and other local award winners were entertained by the Dixon Chapter D.A.R. at a luncheon and meeting in their honor. They also attended a state convention of D.A.R. winners held at the Congress Hotel in Chicago, where the girls and their parents were honored at a luncheon and the state winner was announced.

The G.A.A. is one of the largest organizations at Dixon High School. Through the many sports which are provided for the girls' enjoyment, both the participants and the spectators are given the opportunity to practice good sportsmanship, fair play, and honesty. The G.A.A. also places special emphasis on good health and physical fitness.

Mrs. Roe and Miss Baltzell, the two sponsors, spent a great deal of time working with the board members to plan the activities for the school year. The following are the board members: Sandy Weigle, President; Bonnie Holtz, Vice-President; Peggy Jankowski, Secretary-Treasurer; Paula Henson, Senior Sports Chairman; Pat Kerz, Junior Sports Chairman; Carol Butterbaugh, Sophomore Sports Chairman; Nancy Marshall, Freshman Sports Chairman; Joanne Smith, Social

Chairman; Linda Paulson, Publicity Chairman.

At Christmas time the G.A.A. provided a needy family with food and clothing and also held a party for children between the ages of three and seven. In this way, the G.A.A. made this a happy Christmas for other people.

The Polio Drive, which was under the direction of Janet Marshall, was a great success. The money-raising projects included a bread sale, coffee and doughnut sale, and the king and queen election. Chris Lazaris and Maria Raquel Escobar were chosen Polio King and Queen.

Ellen Eichler, the general chairman, and her committees planned the G.A.A. Dance this year. It was held in the old gym and the theme was Candyland.

The many activities for the year were ended with the Senior Farewell Banquet held in May.

The Dixon F.F.A. Chapter this year consisted of 33 members. The officers were as follows: President, Dale Biggs; Vice President, Harry Wilkinson; Treasurer, Jim Rhodes; Secretary, Bob Ferris; Reporter, Roger Hoyle; Sentinel, Jim Sheaffer; and Mr. Tieken, our advisor.

The chapter members have participated in many activities throughout the school year. In October, we participated in the soil judging contest at Shannon, Illinois. In December the entire membership attended the National Livestock Exhibition in Chicago, Illinois. We have just completed our Queen contest for 1962. Sharon Weidman is the new queen. We have had a Parent and Son Banquet for the purpose of letting our parents know what our chapter is doing. The officers attended a Leadership Training School held at Morrison, Illinois. For National F.F.A. Week, we put on a program for the Dixon Rotarians and in turn they furnished the members and their fathers a luncheon; the Rotarians also told about the operations and functions of Rotary International.

During the past summer our chapter had a dairy judging team, a fat-stock judging team, a grain judging team, a milk judging team, a meat judging team and also a poultry judging team. These teams along with other schools judged at the fairs. Our milk judging team placed second in the state. Our dairy team placed within the top ten schools in the state and was then sent on to the state judging contest where it placed fifth.

To earn money, our chapter shared with the G.A.A. the profits of the concession stand during the football season. The freshmen have planted garden seeds and plan to sell the plants.

This year our chapter had fourteen green hands and 7 chapter farmers. The green hands include Martin Baker, Walter Bass, Steve Harms, Neil Jaquet, Jon Kenney, Ed Lowe, Kenny Manon, Ellwin May, Gerald Miller, Robert Pate, Phillip Plumb, Phillip Scheffler, Lester Shaffer, and John Slotter. The chapter farmers are Danny Cassens, Bill Cruse, Bob Ferris, Dick Fisher, Sam Quinn, Jim Rhodes and Jim Sheaffer.

The Library Club is one of the few clubs in our school that benefits not only its own members, but everyone in the school who uses the library during the past school year. Members, under the direction of Miss Heinle, keep the nearly 7500 volumes in our library in their correct order according to the Dewey Decimal system. The members work during each period of the day, and before and after school.

This year has been very busy because of the addition of the left and right wings. The west room, which is glass-enclosed and sound-proof has new lights and many new tables and chairs. Besides creating a cheerful atmosphere in which to study, this new addition provides room for 50 more students. Also the magazine room has been added for housing past issues useful in research papers.

Until this year the membership of the club has been largely girls. However, this year a greater proportion of boys has joined the club making a total membership of thirty, almost half boys.

The club is a member of the Rock River Student Librarians Association. The treasurer of this group, which is composed of fifteen schools, was a member of our own group, Susan Sharp. The secretary for the association, Stu Kendall, who will take office next year, was also elected from our club.

To the members of the Library Club, the benefits are numerous. All the books checked out of the library must pass through the hands of usually three students. During this process, the members become acquainted with many new books they would not have come in contact with were they not members. In addition they also learn the approximate location of any type of book, saving themselves time and effort in the future when a particular volume is desired.

In colleges and universities the knowledge acquired during high school concerning the library will have much utility. Those who do not go on to school find the knowledge useful in the public library.

During the 1961-62 school year, the Future Nurses Club has taken part in many interesting activities.

One of the most important projects taken up by the club was their work at K.S.B. Hospital. All the girls who were 16 years or older had opportunity to donate some of their spare time in helping the K.S.B. staff and patients.

Some of the jobs performed by these girls were as follows: folding linens, filling water glasses, answering calls for the patients, and providing a more friendly atmosphere.

This work was extremely important to the girls. Not only did it give them an opportunity to help the sick, but it also gave them the opportunity to see if they are qualified to become good nurses. Without the qualities of friendliness, unselfishness, and the desire to help other people; no girl can succeed as a nurse.

During the year, Mrs. Hazel Miller also spoke to the club on becoming a nurse. She mentioned the qualities of a good nurse, and the different phases a nurse may enter. Mrs. Miller works in Public Health and enjoys her work tremendously. Mrs. Miller also pointed out that science, mathematics, and physiology are excellent courses to take while you are still in high school, as most schools of nursing have subject requirements before entering.

Every year the Nurses Club takes a field trip. This year Mrs. Currens has arranged for us to visit Chicago Lying-In Hospital. Taking a field trip such as this gives the girls a chance to see the way other hospitals are operated. This also may help them decide where they want to train.

I hope that all the girls keep in mind that a girl will always be able to use the nursing profession even when they get married.

The Dixon High School Art Club has been in existence for four years. During this time, its members have contributed their time and talents for the school. The members will conclude their year by participating in completing the Junior-Senior Prom; the theme of which is Polynesian Paradise.

The Art Club was founded for those students interested in art or an art career. Through field

trips, it is possible to show the members aspects of art which are not available in the classroom. Many schools in our area offer exhibits for visiting students. The Chicago Art Museum is one of many places to which the students may go. Activities are supervised by Mr. Cookson, club advisor.

The officers of the club are: Willard Emmert, President; Tom Mighell, Vice-President; Carolyn Johns, Secretary; and June O'Neil, Treasurer.

HOMEcoming

Back the Dukes! This was the slogan for Homecoming Week of 1961, which proved itself a big success. To discover why this week is the best one of the school year, let's start out at the beginning.

Monday, Tag Day, began with tags boosting school spirit. That was the day all the students received tags in the shape of D's with slogans saying such things as "Boil the Boilermakers" and "Beat Kewanee." The students could wear their tags all week if they desired.

Tuesday was the day when all the classes competed to see who could do the best job of making the school look extra special for Homecoming Week. The freshman class had the cafeteria, the sophomores had the main floor, the juniors did the second floor, and the seniors decorated the campus. The three teachers acting as judges chose the junior class decorations as the best.

Wednesday was the football team's favorite day, for the whole school recognized and honored

them. Each member of the team wore a paper helmet all day with his name, number, and position printed on it. Best of all was the free ticket to the dance, which each player received. The students encouraged the players even more by wearing the school colors.

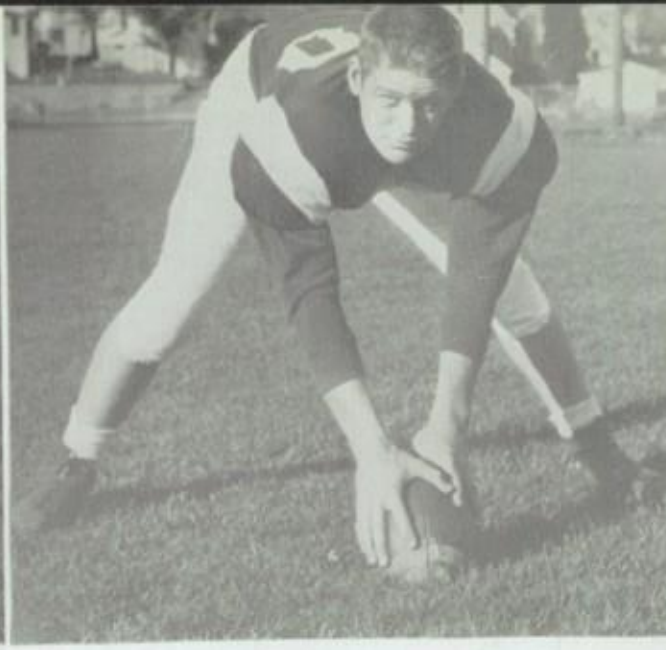

Pep Rally Day was Thursday. The students cast votes for the queen that morning and then said "Back the Dukes" instead of "Hi" to each other as a greeting, because there were four students selected to record every twentieth person who said this to them. Free dance tickets were awarded to the winning students. Inclement weather made it impossible to have the Pep

Rally in the football stadium, so it was held in the old gym instead. Terry Wasson was announced queen with Mary Jones, Donna Crader, Sharon Grimes, Carol Heckman, and Debbie Spangler as her attendants. A snake dance followed which took the students to Borden's field for the bonfire.

On Friday night the Dixon Dukes played the Kewanee Boilermakers and won 7-6. At half-time Terry was crowned queen by Rollie Mercer, Joe Coffey, and Lloyd Bollman.

Homecoming Week was climaxed by the dance Saturday night at which the queen was crowned again, this time by Lloyd Bollman, Student Council President.

Short in numbers, light in weight, and lacking in experience, the Dukes found themselves on the very short end of a season. Although there were were nine returning lettermen, only four of them had played extensively the previous season. One thing to be said for the Dukes, they were never shut out; they always managed to battle their way into the scoring column. Joe Coffey, who carried the bulk of the offensive attack at fullback, was elected most valuable player and is second string all conference. Rollie Mercer and Lloyd Bollman for their outstanding play were elected co-captains. Seniors Bill Schuttler and George Danek bolstered the offensive attack with fine centering to Senior quarterback Chris Lazaris. Rich Stewart, Craig Olney, and Larry Bross played both offense and defense.

The defense managed to score two points of their own in the first game against Hall, but the offense, unable to roll, could not prevent the final 7-2 Hall victory. The next week nothing seemed to work as Rochelle walked to a 48-6 win over the Dukes. A closing second's touchdown by Joe Coffey in the first half of the Ottawa game had Dixon very much in the game, but they fell down in the second half and were defeated 26-14. The Dukes could do nothing to dampen the Sterling

victory fire as they succumbed to a 33-6 loss. Playing big and powerful DeKalb the following week, the Dukes fought hard but lost 32-13.

The brightest spot in the season was the climaxing victory of Homecoming Week. Although the Dukes drove deep into Kewanee territory many times throughout the game, they scored just once, but it was enough to provide a well earned 7-6 victory.

The next week the third quarter jinx set in as the Dukes weakened twice to give Streator a 13-7 victory. On a mud clogged field Rock Falls handed the Dukes their final defeat 14-6.

The 1962 Frosh-Soph presented Mr. Swan with one of his finer records in years. Starting the season slowly, they were only able to win one out of their first four games; but they came on strong in the last half to set back four straight opponents and ended the season with five wins and three losses. The Little Dukes boasted one of the finest lines in the conference with Barry Royster, Jerry Stouffer, Tom Myers, Rich Collins, and Bill Gower leading the attack.

The Little Dukes started the season in fine fashion. Scoring a lone touchdown early in the game they held on to win 6-0. The following week they set the stage for what was to come in the varsity game as they slid to a defeat of 20-0. In a hard fought contest with Ottawa the Little Dukes were defeated by the slim margin of one point 7-6. Their last defeat of the season came the following week as they lost another grinding battle with Sterling by a 6-0 margin.

Tom Myers scored one of his two season touchdowns late in the fourth quarter as he scooped up a fumble and raced to a 13-6 victory over DeKalb. The next week they brightened their end of Homecoming with a 14-0 win over Kewanee. The following week they came out on top of a fast scoring tilt with Streator 21-20. They ended the season with a fine 14-0 victory over Rock Falls.

With the addition of this fine sophomore team to the varsity next year, the future of Dixon football is looking up.

FRESHMAN FOOTBALL

Slack, J. LeBlanc, C. Blackburn. Row 1: E. Boos, L. Stuart, M. Huggins, A. Fane, T. Cline, Z. Moss, G. Smith.

Again this season Mr. Wallick molded his green freshman team into a winning ball club. They finished the year with a commendable five wins and one loss. Spearheaded by Rick and Randy Wallick at quarterback and end, the fine running of Dennis Nelson at fullback, and good line play headed by Dave Deets the freshman overran one opponent after another.

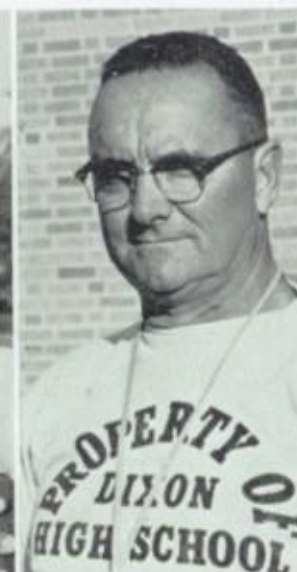

They began the season with a fine 13-0 win over Polo. The following week they hosted Rochelle and handed them a 7-0 loss. Princeton was the first team to score against the freshman but did not come through with enough as they fell to Dixon 14-6. Mendota also scored on the Duklets, but they, too, fell to Dixon 13-7. The Duklets were the lone Dixon team to defeat Sterling as they handed them a 13-0 loss. In the final game of the season Rochelle retaliated for their earlier loss by giving the Duklets their first loss by a 13-12 score.

The Dixon varsity bettered last year's record with fifteen wins and eight losses. Led by high scoring Dave Keeley, the Dukes finished fifth in the NCIC and second in the regional tournament. Keeley led all scorers with a 23.8 points per game average. He was voted the team's most valuable player, elected to the all-conference team and received honorable mention all-state. Gary Flanagan, play-maker guard of the Dukes was voted captain by his teammates. Rich Stewart, big 6-6 center, spearheaded the team's rebounding assisted by Pat Dixon the only junior on the starting five. Senior Steve Barger came off the bench to spark several victories throughout the season. Dan Dunphy, a sophomore, led the Dukes at the free-throw line with a .717 mark. Seniors Steve Tagge and Jerry Karlson led the Yellow-bellies in practice. Good luck to the future Dukes.

Coach Swan's frosh-soph basketball squad turned in a fine 1961-62 season record by compiling a total of thirteen wins and five losses. In conference play the Little Dukes fared eight and three.

Following an impressive opening victory over Fulton, the Little Dukes went on to win five out of their seven games before the Christmas holidays. After the vacation they won eight out of their remaining eleven games in a drive which included two, three game winning streaks.

In the scoring department, Jim Knigge paced the team with a 11 point average. Mike Davis took second with a seven point average. Following him up were Jim Santee with a 6.4 accounting and Mal Williams with 6.3. Al Zimmerman came on in the middle of the season and finished with a 4.2 average. Knigge led the charity line with a .695 mark.

These boys coupled with the fine freshmen who are coming along should provide Dixon with a good outlook in basketball in the years to come.

The Dixon freshmen finished the 61-62 season with the best mark in years. Bettering the fine year's team they ended the year with thirteen wins against two losses. Under the guiding hand of Mr. Bogott, the team ran up an average of 40 points a game and scored a high of 54 points one night.

Sterling and Mount Morris were the only teams that were able to overcome the Duklets, and even these two teams fell later in the season in re-matches. After their loss to Sterling before vacation they finished the season with eleven straight victories. Their most impressive victory was a 52-34 revenge win over Mount Morris.

Randy Wallick compiled a very impressive 14.6 points per game average scoring 219 points in fifteen games. Rick Wallick and Bob Shoemaker handled the guard spots; and Gary Smith, Dave Dixon, and Greg Kelchner held down the forward positions.

Coach Sonneman's grapplers began the 1961-62 season in fine shape and for awhile it appeared as if they would even better their previous season record; but due to injuries and illnesses the year was not quite as successful as was hoped. Ken Springer was the recipient of the John Lowe Memorial Trophy for his outstanding wrestling all season which included third place at the sectional wrestling tournament. Ken along with Lloyd Bollman was chosen co-captain of the squad. Lloyd was a late starter in the year but came on strong in the final meets. Neil Grove met with hard luck in the late season and was unable to participate in the final meets, but he highlighted his season a little earlier when he won a first place in the 120 pound class at Rockford Holiday Tournament. George Danek also a late starter in the heavyweight division came on strong in the final meets to gain a second in the conference and first in the district. Bob Floto the final senior on the squad did an outstanding job all season for the Dukes. Senior Bill Shuttler in his first season did a lot of hard work for the B team.

With the return next year of Bill Campbell, Richard Jesse, Burton Wolf, Fred Sanford, Dan Ccok, and Roy Klapprodt, the team should have a fine season.

The Dixon Chamber of Commerce

74 Galena Ave.—Tel. 283-1611

This is an organization of businessmen, professional men, industrialists and farmers, working to promote the commercial, industrial, educational and farming growth of the community. These men and women are willing to devote their time and money to the Dixon Chamber of Commerce, because they know that as the whole community improves so will their businesses and community life.

A voluntary organization welcomes as members, any individual or firm of reputable character.
